

# NAMIBIA GOVERNMENT GAZETTE

## The Official Publication of the Namibian Government

The Namibia Government Gazette is the Official Publication/Newspaper of the Government of Namibia. Notices published in government gazettes cover all aspects of government concern and regulation and most are published because of a requirement of law. Acts, regulations and other subsidiary legislation are also published in the Gazette.

- The Gazette containing Acts, regulations, rules, legal notices and proclamations amongst are published in the **Extraordinary Gazette**.
- The Extraordinary Gazette also contains publications of a specialised nature which can appear on any given date during a specific month.
- Other publications are notices containing Trademarks, Road Carrier Permits, Tenders, Advertisements and Air Services.

**The Government Gazette Office is part of the Directorate: Legislative Drafting within the Ministry of Justice and its Functions are -**

- To publish legal acts and advertisements that are sent to the Government Gazette Office, in printed and electronic form, which fulfil the conditions provided for by law;
- To preserve or keep confidentiality or official secrecy of the legal data and other acts until they are published in the Gazette in the printed and electronic format.

- To carry out technical revision of final versions of texts published in the Gazette in printed and electronic form.
- To Proofread legal acts and other notices, however proofreading is limited to purely typographical errors.
- To ensure the timely publication of legal acts and other notices in the Gazette in printed and electronic form.
